Columbus, OH 43202

Objective: To obtain freelance work in the field of design that will challenge me creatively, technically and stylistically.

Education: BFA Graphic Design, Ohio University **GPA:** 3.5/4.0

Design Experience:

2009-Present Web Designer, Bath & Body Works Direct

Working closely with cross-functional teams on a very fast-paced schedule to design and produce site creative and HTML email designs, while also commandeering intra-theme promotional changes and affiliate/third-party design requests.

2006-2009 Associate Internet Designer, Abercrombie & Fitch

Applied production techniques and prepared/uploaded images for the Hollister and Ruehl e-commerce websites. Maintained integrity of sites and continually researched competitors' sites. Designed profitable HTML emails for Hollister's mailing list.

2006 Web/Graphic Designer, Medical Diagnostic Imaging Group, Ltd.

Redesigned a series of three websites for MDIG in order to enhance the company's image as seen by patients and medical personnel; reporting to marketing team and IT staff. Also responsible for redesign of company's logo and implementation of identity.

2005-2006 Web Design Intern, Electronic Vision

Redesigned and assembled the OU School of Art website and designed pages for other University schools. Organized and maintained layout and information while interfacing with design team and OU faculty.

2005-2006 Webmaster, Ohio University School of Art (SoA)

Coordinated online information architecture for the seven departments comprising the SoA, facing tight deadlines and last-minute notice of updates. Kept on track with faculty and with a constantly changing gallery schedule. Interfaced with the school's promotions staff and undergraduate student services coordinator.

2005-2006 Web Designer, Pink Dot Experiment

Collaborated on, built and implemented a website for the Pink Dot Experiment, a new-genre art event coordinated by OU design professor Stacy Asher.

2005 Graphic Designer, Ohio University Women's Affairs Commission

Worked with the Women's Affairs Commission to design promotional materials for Take Back the Night, an annual event held to raise awareness of women's causes and to educate and empower women on campus.

2004-2005 Graphic Designer, Artery, Ohio University SoA

Conceptualized and designed a two-color layout for *Artery*, Ohio University's annual Fine Arts alumni publication. Worked with the editors to configure page layout and determine article content. Coordinated prepress work, printing and mailing of the newsletter.

2004-2005 Graphic Designer, Ohio University Student Senate

Designed newspaper ads, flyers and table tents promoting Senate events in order to increase public knowledge of Senate's role and functions within the University.

Other work experience:

2003-2004 Artery, Ohio University SoA - Writer/Editor

Computer skills: Adobe Illustrator, Photoshop and InDesign, Dreamweaver, Flash, Microsoft Office and Quark Xpress. Working knowledge of CSS.

Other fine arts skills: Drawing, photography, painting.

Special recognitions: Presidential Scholar (full-tuition academic scholarship), Dean's List 2002-2006, Dean's Undergraduate Creative Research Award.
